Letter Making Information of Record according to 37 CFR 1.501

In accordance with 37 CFR 1.501, the Undersigned would like to make the documents and references appended hereto part of record in the instant patent file. Those documents are taken from a European opposition proceeding concerning a European Patent that is related to the instant, U.S. Patent. The patent owner is believed to have copies of the documents which include a final decision by the board to revoke the European Patent, as well as several references cited by the patent opponent and an associated explanation of the asserted relevance of those references by the opponent. The Undersigned makes no admission as to the relevance or materiality of the appended documents and cites these materials in the interest of further ensuring the information is brought to the attention of the public.

Respectfully submitted,

FAEGRE BAKER DANIELS LLP
